MALDIVES – Indian Ocean

The Maldives offers world class diving conditions, idyllic beach resort holidays and wide choice of liveaboards and itineraries to explore the area. Some 200 inhabited islands give access to over 1000 coral islands. Their channels and lagoons are brimming with a huge variety of sea life and soft coral that make this a mecca for divers. From gentle shallow routes to strong current drift dives, rare coral, schooling fish, reef sharks and, of course, fantastic Manta Rays.

Vilamendhoo Island Resort & Eurodivers

Located in South Ari Atoll between two channels and surrounded by a beautiful lagoon with excellent house reef, just 25 minutes by seaplane from Male Airport. 184 comfortable air-conditioned, en-suite rooms and villas furnished in tropical décor. Hotel facilities include swimming pool overlooking the beach, main buffet restaurant, a la carte restaurants, internet café, bars, fitness centre, tennis court and spa. EuroDivers PADI 5 Star centre offers some of the finest diving in Ari Atoll. There are more than 40 dive sites including the Al Karim wreck.

Sunset House Dive Resort & Sunset Divers

Located directly on the waterfront, with house reef, one mile from George Town. A sociable dive resort, with 54 en-suite rooms. Facilities include swimming pool with spa, excellent restaurant and award winning bar, where locals and guests mingle for sunset happy hour.. Sunset Divers is a PADI Gold Palm IDC centre offering boat dives from the slipway in front of the property and UNLIMITED shore diving. Professional photographer, Cathy Church, provides onsite courses, advice, print & digital services and equipment to hire or buy.

PUERTO GALERA - Philippines

Puerto Galera offers some of the best scuba diving in all Asia and has more variety of marine life than The Great Barrier Reef. Calculations show that there are more than 3000 varieties of fish here - that's roughly 50% more than the Red Sea. The water temperature is warm - December to February 21°C to 24°C and from March to November 25°C to 30°C.

Puerto Galera is also the perfect location to experience the widest variety of dive sites: deep dives, drift dives, wreck sites and many more.

El Galleon Resort & Asia Divers

If you are looking for a beach vacation where the resort staff will do their very best to spoil you, then come to El Galleon, the jewel of the Philippines.

If you are looking for a romantic resort, this really is where you will experience the magic of the Orient. Hardly surprising then that El Galleon is so popular with honeymoon couples.
